

## Welcome to Beach Restaurant

Our list of beverages is inspired by a litany of marvelous producers, curated to accompany & showcase our maritime fare founded on the finest materials of the Byron Bay region. The producers showcased within rely heavily on the quality of their particular piece of dirt and the environment in which it is located to achieve delicious outcomes.

We have used geographical growing zones, with some creative license, to help you navigate the languid Mediterranean to the cooler Atlantic – all evocative of our style here, at Beach. We may well invite you to join us for a small layover in Morocco, a quick trip to Madeira, a venture to the sub-alpine Piedmont, or an exploration of domestic wines, both classic and representative of a new guard.
